

The Alliance of States with Prescription Monitoring Programs

Alliance of States with
Prescription Monitoring Programs

Alliance Mission

- Provide a forum for the development, sharing, and exchange of information and ideas about all aspects of prescription monitoring programs in an effort to curtail drug diversion and abuse while simultaneously ensuring patient care.

PMP Training & Technical Assistance Center

Alliance Partnered with Brandeis University for PMP Training And Technical Assistance Center

To be a responsive assistance and training resource to state PMPs, and non PMP states and other stakeholders (i.e. BJA, DEA, SAMHSA) in

- Compiling, organizing, assessing and making available PMP materials, research findings, legislation, etc.
- Facilitating exchange of knowledge, expertise, and tools among PMPs
- Developing trainings to address emerging needs among PMPs
- Tailoring technical assistance to individual PMPs
- Helping to organize the “voice” of PMPs
